How To Decide on your Strategy Before you Starts your **First Angel Investing**

Time Commitment

How much time do you have available to invest in angel investing? Are you going to be hands-on or very much an armchair investor?

Investment Focus area

Are you going to focus on a particular industry,
technology or functional area?

Deal Sourcing Strategy

How you will generate deals? Are you going to source them directly or use syndicated approach where you can piggyback off other people's deals?

Amount of Capital To Invest

How much angel capital are you going to put in and over what period? Are you going to keep any capital back for follow on rounds?

Average Deal Size

Do you want to aim for larger deals where you are the main investor or smaller deal sizes where you co-invest with other investors?

Level of Portfolio Diversification

How many deals do you want to make with your available capital? A minimum of 10 deals is advisable for adequate portfolio diversification.
