Welcome to ENLYNK

the ultimate digital connection platform designed for you.

About ENLYNK

ENLYNK BY BP is a digital connection platform that allows users to create and share virtual business cards with rich content and design to thrive in today's ever-changing economy.

Share Your Business Card Anywhere, Anytime

With ENLYNK, you can share your digital business card effortlessly, whether it's through email, social media, or even our Custom Designed QR code screen for your mobile device. Keep your connections informed and up-to-date with the latest information about your business.

Why ENLYNK?

With ENLYNK, you'll enjoy:

- Rich content and design
- Easy updates and customization
- Visitor count tracking
- In-page video integration
- Payment processing capabilities
- CV download options
- Contact details, calendars, and social media links

Get started and create your ultimate virtual business card with
